### **Inventory data**

(1) Your personal data, insofar as these are necessary for this contractual relationship (inventory data) in terms of its establishment, organization of content and modifications, are used exclusively for fulfilling the contract. For goods to be delivered, for instance, your name and address must be relayed to the supplier of the goods. (2) Without your explicit consent or a legal basis, your personal data are not passed on to third parties outside the scope of fulfilling this contract. After completion of the contract, your data are blocked against further use. After expiry of deadlines as per tax-related and commercial regulations, these data are deleted unless you have expressly consented to their further use.

### **Liability for Content**

We make every effort to keep the information on our Web site current, but accept no liability whatsoever for the content provided. Pursuant to §7 par. 1 of TMG (German Tele-Media Act), the law limits our responsibility as a service provider to our own content on these Web pages. According to §§8 to 10 of TMG, we are not obligated to monitor third party information provided or stored on our Web site. However, we shall promptly remove any content upon becoming aware that it violates the law. Our liability in such an instance shall commence at the time we become aware of the respective violation.

### **Liability for Links**

Our site contains links to third-party Web sites. We have no influence whatsoever on the information on these Web sites and accept no guaranty for its correctness. The content of such third-party sites is the responsibility of the respective owners/providers. At the time

Please be aware that there are inherent security risks in transmitting data, such as e-mails, via the Internet, because it is impossible to safeguard completely against unauthorized access by third parties. Nevertheless, we shall safeguard your data, subject to this limitation. In particular, personal information will be transmitted via the Internet only if it does not infringe upon third-party rights, unless the respective party has given its prior consent in view of such security risks. Accordingly, as the Web site provider, we shall not be held liable for any damages incurred as a consequence of such security risks or for any related acts of omission on our part. We oppose the use of any available contact information by a third party for sending unsolicited advertisements. As the Web site provider, we reserve the express right to take legal action against unsolicited mailing or e-mailing of spam and other similar advertising materials.

### **Social plug-ins from Facebook**

We use social plug-ins from facebook.com, operated by Facebook Inc., 1601 S. California Ave, Palo Alto, CA 94304, USA. The plug-ins can be recognized by way of the Facebook logo or the supplement "Facebook Social Plug-in". For example, if you click on the "Like" button or leave a comment, the relevant information is transmitted directly from your browser to Facebook and stored there. Furthermore, Facebook makes your likes public for your Facebook friends. If you are logged into Facebook, it can assign the invocation of our page directly to your Facebook account. Even if you are not logged in or don't have a Facebook account, your browser sends information (e.g. which web pages you have called up, your IP address) which is then stored by Facebook. For details about handling of your personal data by Facebook and your related rights, please refer to the data privacy policy of Facebook: <http://www.facebook.com/policy.php>. If you do not want Facebook to map data collected about you via our Web sites to your Facebook account, you must log out of Facebook before you visit our web pages.

### **Social plug-ins from Twitter**

With Twitter and its Retweet functions, we use social plug-ins from Twitter.com, operated by Twitter Inc. 795 Folsom St., Suite 600, San Francisco, CA 94107. If you use Retweet, the

websites visited by you are announced to third parties and associated with your Twitter account. Details about handling of your data by Twitter as well as your rights and setting options for protecting your personal information can be found in Twitter's data privacy policy: <http://twitter.com/privacy>
